By returning this Additional Shareholder/Guarantor Form (this "Form"), each of the name(s) you have entered in this Form (individually and collectively, "you") authorize PhoneOps Funding Co. Inc. and our affiliates (individually and collectively, "us," "our" or "we") to obtain consumer or personal credit reports, references, and other information about you from credit bureaus and other third parties. We may obtain your credit report when you submit this Form, during the closing of your business loan, or at various times during the term of your business loan in connection with its servicing or enforcement. You further authorize us to verify information in your credit report or otherwise submitted to us in connection with this Form, and you agree that we may contact third parties to verify any such information.

We may use your credit report for any lawful purpose, including, without limitation, for authentication purposes, to verify fraudulent activity with the U.S. Department of the Treasury Office of Foreign Asset Control lists, to make credit decisions, and for related purposes. In the event your loan application is approved for listing on our marketplace, you agree that we may share certain information derived from your credit report, loan application, this Form or other information collected from you during the loan application process with third parties. Such information will be displayed on our marketplace with your listing, although it will only be viewable by institutional or accredited registered investors.

In addition, you affirm that:

- You answered all items in this Form fully, accurately and completely;
- You are authorized to submit this Form and enter into credit arrangements on behalf of the person and/or business whose name(s) you have entered in this loan application; and
- You understand that this loan application does not commit us to making a loan; and
- You have read and agree to our Terms of Use and Privacy Policy.
